Ms. Eddins,

We have a Motion for Leave to File Amended Complaint pending before the court . What do we have to do to give notice that a ruling on the motion needs to be expedited? Part of the reason we are seeking leave to amend is to add defendants. Arguably, the statute of limitations period as to at least one of the proposed defendants is coming to a close in mid-April. We see that Judge Rosenthal's rules require written notice to the court of the need to expedite. What form does that written notice need to take? Should it be a letter to the court? Will an email suffice?

Thank you. We look forward to hearing back from you.
