Duane and Von,

Dunno how anyone got this and then published it and it is NOT correct, it could have a site pulled, and big law suits from O'Quinn, not to say it has screwed Howard being able to lose it...

I am so sad that ppl sent Von half truths, did not verify the info. in fact some professional PI's are trying to verify this so they DON'T get sued...

Step-Brother Not Incest But Marriage to James Sanders Is!

April 19th, 2007 by QV

Thursday April 19th 2007, 1:40 pm EST. TMZ is finally reporting on **Virgie Arthur's first child** which was a product of her step brother. Our site has known this for a long time thanks to the great detectives who gather here and spend hours scouring public records for information.

TMZ and Perez don't have this information though and as Entertainment Tonight would say "You saw it here first"!

Our members have elaborated on the family tree of **Virgie Arthur** via **Daniel Smith's** father **Billy Wayne Smith**. What turned up is an actual incestuous marriage between **Virgie Arthur** to **James T. Sanders**.

This information is thought to be true and factual and was passed to me by our own **Kim R aka Nuttie!!!**
